OUR MISSION

The Alexander Handy Memorial and Scholarship Foundation was established to assist the community through youth safety and scholastics. On June 10, 2006 our son Alex was killed while crossing a busy street on his bike. While indications were that a helmet would not have helped in his situation, helmets do save lives. Through enhanced awareness we can and will encourage youths through foundation projects and sponsorship to keep in mind what can happen as a pedestrian, as riders of bikes or drivers of cars if you are careless, or not prepared for a situation. This carelessness may not be on your part, so you should be always cautious of the situation at hand.

Proceeds will go towards • \$2,500 scholarship to a Medway High School graduating senior • Painting of the crosswalks in Medway and much more!

The Alexander Handy Memorial & Scholarship Foundation is a not for profit organization.
